# ABOUT US

**TNT** is the fastest growing and most exciting brands of Home Improvement products in the country. We pride ourselves on our exquisite range of products and outstanding customer service. Each of the products has been aesthetically designed keeping in mind the details like utility, styling and finishing meeting the aspirations of modern homes.

The task of beautification of home is indeed an emotional and big decision and requires sensible investment. Our team has set high quality standards for all the products and ensures that they meet the aspirations of Indian women. With vast experience and a lineage of more than 5 million completely satisfied customers from various parts of India, our passion for growth drives us towards constant innovation and setting new standards of quality. Our research and development is the base of our success as we have ensured our position as a value partner in the design and manufacture of Home Utility products through regular innovation and in-house manufacturing capabilities.

With our state-of-art manufacturing set-up, we are able to manufacture and supply Home improvement products for many leading brands and corporate houses in their own brands. Our OEM division has successfully reduced dependence of many companies on imported products in this segment. Our products have also been chosen for corporate gifting by many large groups due to their utility, quality and uniqueness. We strongly believe that Made in India products are the future and we welcome you to experience our products.
